NEW PARKING PROCEDURES AT 2 MIRANOVA

Per property management, all 2 Miranova guests must valet their vehicle rather than parking in the visitors section of the garage. The visitors section has been removed from the Miranova garage. Only keycard tenants are able to access the parking garage. To locate Miranova Valet, turn into the entrance just before the parking garage and travel up to the roundabout. There, you may provide your keys to valet and inform them of the office you are visiting (Isaac Wiles). Valet will give you a colored ticket at this time. The Isaac Wiles receptionist will note your valet ticket # once you arrive. When you are ready to leave the office, she will notify valet that you are ready to pickup your vehicle.

Miranova Valet services are complimentary and tipping is not necessary.

If you have any questions, please call our receptionist at **614.221.2121**.
